ABOUT ME

I'm a computer science student form Portugal, I'm 21 years old, I'm an enthusiast of technology, specially everything software related. I have developed several open-source projects, either in my course or free time, most of them are available on my GitHub page with their description. Here you'll find more information about me, expertise, projects and people I've worked with. You can also use the contact form to send me a message, I'll try to respond as soon as possible.

WORK EXPERIENCE
